EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Billy Raulerson (Reg. No. 52,156) on 2/2/2004 and 2/3/2004.

2. The application has been amended as follows:

Claim 11 (currently amended): A program product comprising a computer-readable storage medium having invocation metamodel data, application domain interface metamodel data, language metamodel data, and transaction message formatter metamodel data; and

computer instructions for building a metamodel data repository of source and target language metamodel data; and

computer instructions to build a connector for:

1) retrieving connector metamodel data of respective source and target languages from the metamodel data repository;

2) populating the connector metamodels with metamodel data of each of the respective source and target languages and the transaction message formatter, from the metamodel data repository, and invoking the retrieved, populated connector metamodels; and

3) converting the source language to the target language.

Art Unit: 2126

wherein said transaction message formatter metamodel data includes a message descriptor, logical page, password, segment, message field, device descriptor, device type, device division, device page and device field.

Claim 17: cancelled.
